

## The Emanuel Casablanca Foundation

The Emanuel Casablanca Foundation (TECF) is a Human Rights and Social Justice organization committed to addressing systemic challenges within marginalized communities of all ethnic backgrounds, religious beliefs, and sexual orientation(s), globally!

TECF is an independent nonprofit entity, whose focus is to bring awareness and raise money for nonprofit organization of all issue areas, globally. As a touring, performing, and recording musician, Emanuel Casablanca partners with nonprofit organizations throughout Europe, UK, United States of America, and South America and performs concerts and produces events in an effort to raise money and draw awareness towards their mission.

**Our Mission:** survivors of marginalized communities, serving marginalized communities.

**Our Vision:** to redefine show business and entertainment, by using it as a tool to support the disadvantaged.
